Safeguarding

Just a reminder that dogs should not be brought onto the school site. If you are collecting your child accompanied by your furry friend, please stand well back from the gates to allow less confident adults and children pass safely. Many thanks.

Attendance

Please can you ensure that you contact the school office before school begins if your child is going to be absent and let us know name, class and reason for absence. You need to do this every day your child is absent unless you have arranged otherwise with the school office.

Dental and medical appointments should be made wherever possible outside of school hours so that we can prioritise your child's education and give them the best opportunities for their future.

Red Nose Day

A massive thank you to all who donated to the Red Nose Day appeal via our parent pay link. As a school we collected an amazing £211.50 for this charity. It was lovely to see all the bright reds around the school – really brightened up the day.

Young Carers

Together with Mrs Terrell and Mrs Myatt our Young Carers took part in making these delicious treats – they thoroughly enjoyed the event and the office can confirm that these tasted amazing! Well done.
