Safeguarding

Measures have been put in place to minimise the risk of transmission both inside the school buildings and on the site. **To support this please continue to follow the social distancing rules, wear a mask when on school premises and be mindful of others when entering and exiting the school grounds.**

Covid-19

Can we please remind everybody that if anyone in your household displays covid symptoms please keep your child/ren off school, until a test has been completed and result received. Your child's return to school can then be determined.

When entering the school grounds and school reception it is expected that you wear a mask unless you are exempt. Please remember to social distance whilst on the school grounds, we understand that the children are in bubbles however, this is not the case for adults dropping off and collecting.

By all of us working together and abiding by the rules we are ensuring that we are keeping the children, parents and staff as safe as can possibly be.
