SAFEGUARDING

Please can I remind parents that they should not be using their mobile phones on site or near the school gates.

There has been an incident this week where the children have raised concerns about an adult outside the gates on a mobile phone. Their perception was that the adult was taking photos.

On further investigation by the safeguarding team, it was established that this was a parent on a handsfree call while waiting to collect her children. Many thanks

FOGS

Hello All

As most of you are now aware this will be my last few months as Chair of your PTA for both the Infants and Junior Schools.

After nearly 7 years I will be looking to hand the amazing work we have achieved over to new parents.

We are looking for a motivated, caring, organised person(s) to take the reins from myself as the Chair and introduce the vice chair.

Without a new Chair, the schools will not have a fund raising committee anymore.

Just to highlight all the events that will no longer happen:

Fireworks

May fayre

Roller Disco

Halloween family Disco

Mothers / Fathers day afternoon teas and crafts

Leavers hoodies

Leavers Celebrations

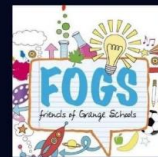

Sweet treats at Christmas

Valentines disco/ sweet sales

Christmas Shopping (juniors)

Santa Visit (infants)

I'm sure I've missed some! It's been a very productive enjoyable time with all the events we hold.

Book reviews

Anisha Accidental Detective by Serena Patel

Review by **Kaitlyn R** (Maple)

I liked that they saved Uncle Toby. I didn't like that they took Uncle Toby. In this book there is a letter and everyone is worrying but in the end they found him so that they could have the wedding.

I recommend this book for over 6 years just because some of the words were hard even for me so they might be hard for others.

Climate Crisis for Beginners by Prentice & Reynolds

Review by **Izzy Y** (Chestnut)

This is a great book that focusses on younger readers as it is a picture book full of fun and interesting facts about what climate change does to our planet and how we can help. The pictures help younger readers understand what's going on in the book.

I think this book is great for our library and children alike.

Volunteers still needed

We are still in need of volunteers who would be free to come in and listen to readers regularly. If you are interested, please contact the school office who will arrange a chat with Mrs Dickenson.
