## Safeguarding

Just a reminder please send your child with a full water bottle each day.

## Attendance

Please can you ensure that you contact the school office before school begins if your child is going to be absent and let us know name, class and reason for absence. You need to do this every day your child is absent unless you have arranged otherwise with the school office.

Dental and medical appointments should be made wherever possible outside of school hours so that we can prioritise your child's education and give them the best opportunities for their future.

## COVID - 19

The school is still monitoring Covid cases within our school community. If a member of your household or your child becomes unwell please book a Covid test and do not send them in until a result has been received, in this instance you must notify the school as soon as possible.

Thank you for your support.

## Raychem Netball Club – Easter Holiday Club

Mrs Arthur has had amazing feedback from the Netball Club on how fabulous and engaging our children were who attended. She would like to congratulate you on this and say a massive well done in representing yourselves and the school so marvelously.
