Safeguarding

Please be aware that we are receiving increasing concerns about children's presence online.

Please make sure that you supervise your child's online use especially social media. None of our children are old enough to have a personal account on any platform and this age restriction is designed to keep them safe.

Parking

Can we please remind parents/carers to be mindful and respectful of our neighbours and fellow parents/carers when dropping off and collecting children. We have had several complaints over the last few days. Your co-operation is greatly appreciated

We would like to encourage a safer area around school and show the wider community that we can be considerate parkers. We would ask you to read the following.

- To not park over driveways, pavements or verges.
- To take care when driving in the school vicinity, drive slowly and look out for families travelling to school by foot or bike.
- To try and park and stride to school where possible when driving the car, this will help our children practice their road safety skills.
- THINK – Does our family need to drive every day or could we travel by foot, bike or scooter even for one day a week. This could show our children how much fun travelling by these this can be.

Welcome

A huge Grange Junior welcome to Mrs Natalie Humphries who joins our teaching assistant team. Mrs Humphries will be working in year 6 for the rest of this term.

Farewells

At the end of this term we will be saying farewell to some of our staff.

- Miss Walshe has secured a deputy headship in Blunsdon
- Mrs Leat is taking over the music department at a primary school in Oxfordshire
- Mr Fisher will be teaching within Swindon at a local primary school

We will be extremely sorry to see all of them leave as they have been much valued members of the school staff. Their contributions to the school have been significant and we will miss them. We are delighted that they are all leaving us to such fantastic new placements and wish them every success in the future.

Carers Week

Mrs Myatt and Ms Terrell along with years 4,5 & 6 took part in walking a mile around the school field for our Young Carers. Well done!!!!

Batten's Disease Awareness Day

Thank you so much for your support this week with our fundraising event. We raised just over £355 and Samuel's sponsored silence has raised just over £3000. Fantastic news, congratulations Samuel!
